ASSEMBLYMAN ADAMS TOURS LAKE ARROWHEAD FIRE WITH GOVERNOR SCHWARZENEGGER

CLAREMONT – Assemblyman Anthony Adams, of Hesperia, today toured the Lake Arrowhead Fire zone with Governor Arnold Schwarzenegger near Mary Putnam Henck Intermediate School and was briefed on the Lake Arrowhead Fire and other fires throughout San Bernardino County.

“During this time of incredible tragedy, I implore each and every community member not personally affected to reach out and do your part to help support those whose lives have been severely disrupted by these devastating fires,” said Adams. “The state stands ready to assist these families in every way, but it will take help and support from the entire community to get these people back onto their feet.”

The Grass Valley and Slide Fires have already destroyed more than 5,000 acres and 225 structures in the Lake Arrowhead, Running Springs, Twin Peaks and Green Valley Lake areas.

The following photos were taken near Mary Putnam Henck Intermediate School in Lake Arrowhead, CA.
